

We Need Your Help!!

The Green B.E.A.N.S. are in the process of planting our school garden! We are looking for generous school families to support us and help keep it growing this summer.

Please choose from the following weeks if you would like to participate. During your assigned week, you will be responsible for watering and weeding the garden.

*May 23 *May 30 *June 6 *June 13 *June 20 *June 27
*July 4 *July 11 *July 18 *July 25 *Aug 1 *Aug 8 *Aug 15

We invite you all to participate and reap the benefits of teaching your family about growing their own food!! This year we are planting: carrots, sweet peppers, cucumbers, squash,

tomatoes, herbs and even pumpkins!!
