

THE SCRIP PROGRAM – Get Into IT

Second largest PTO fundraising program

How?

Each year Blessed Sacrament makes between \$8-10,000 just by you, and members of your family and business, purchasing gift cards to every day stores you shop at.

What is it?

Scrip programs exist to help schools raise money. You purchase gift cards for places you shop everyday from Blessed Sacrament. Gift cards spend just like cash.

When?

Scrip is available for purchase each day.

Where?

Scrip is available for purchase each day in the school office.

How do I get into scrip?

1. Purchase on-hand scrip that is offered each day in the office.
2. Pay off your monthly accounts at Kohl's.
3. Order scrip from the over 200 available vendors on the attached sheet. Orders are due by Friday, Sept 4. (order will take approximately 1 week to fill).
4. Get a Red Card from Target, Community Card from Schnucks, and tell Farmer's Market that you are from Blessed Sacrament when you shop there. Percentages of each purchase get returned to Blessed Sacrament.
