

Dear Parents,  
**Are you looking for some summer review for your child? Simple solutions is offering several workbooks in English, Math, Reading Comprehension, and Study Skills. The answers are in the back in each book!!!**

Follow the steps in the parent's letter, and the books will be delivered right to your home.

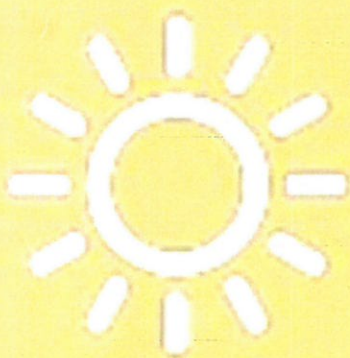

Our school code is.....H62223BLE

The teachers agreed that Math should be ordered exactly on grade level...eg. Current 6 th graders would order a Sixth grade workbook for the summer.

As far as English, if your child did fine in English this year, then we suggest for them to order one level up. If your child does not feel comfortable moving up.....then stay at level. Use the English Grammar books..... not the Common Core!  
Reading should be a level up also, if your child 's reading grades were good!!

If you have any questions , or would like to talk to a teacher before ordering, please do so by email.

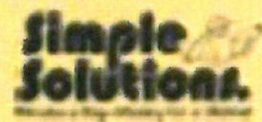

Sincerely,  
Faculty of Blessed Sacrament
